MEMORANDUM FOR: See Distribution

FROM:

Associate Deputy General Counsel for
Administrative Law and Management Support

SUBJECT: New Secrecy Agreements

1. As noted on the routing sheet that forwarded the proposed new secrecy agreements to the DDCI for approval, the draft of new Form 4193 was circulated to Intelligence Community components, and to elements of the Department of Justice involved in the litigation that is pending on the Secrecy Agreements issue.

2. As a result of comments we have received, and discussions with the Department of Justice on the inter-relationship between the new agreements and the ongoing litigation, we have made several adjustments to the proposed new Forms 4193 and 368. These are indicated on the attached marked-up copies. Clean text versions of the latest drafts also are attached.

3. Please review this material and contact me as quickly as possible if there are any comments or questions. We would like to have the new forms ready for printing and distribution by the middle of the week of 14 March.
